On November 8, 2021 the College of Education Curriculum Committee reviewed the Department of Special Education's Executive Action request (attached) that EDP 5400 – Assessment of the Bilingual Student be changed to EDU 5360, with the same course title.

We request that the Council on Graduate Studies accept this as an Executive Action request from the College of Education; please contact me if you have any questions or concerns.

RE: Change of class prefix and number

FROM: Patricia Fewell, Chair and Richard Roberts, Chair Counseling and Higher Education

DATE: October 29, 2021

**Request:**

EDP 5400 Assessment of the bilingual student number and prefix be changed to EDU 5360

**Rationale:**

The class is part of the ESL (English as a Second Language) track and certificate for the Curriculum and Instruction master's program. The Teaching, Learning and Foundations does have faculty that are qualified to teach this class. The faculty member who designed the class originally has left the university.
