

COLLEGE of SCIENCES EXECUTIVE ACTION REQUEST

TO: Doug Klarup, Dean, College of Sciences
FROM: Jim Davis, Interim Chair, Department of Geology/Geography
DATE: September 2, 2016

Requested change:

Allow for online delivery of

- GEO 5830: GIS: Building Geodatabases

Rationale for change:

GEO 5830 is an important elective course for the PSM in Geographic Information Science. Approving this change will allow us to meet the needs of professionals in the GIS industry looking for an online option to complete an advanced courses in GIS.

Effective Year/Term: Spring 2017
