

EXECUTIVE ACTION REQUEST

TO: Doug Klarup, Dean, College of Sciences
FROM: Marshall Lassak, Chair Mathematics and Computer Science
DATE: August 30, 2016

Requested Change:

Allow for online delivery of

- MAT 53351 – Topics in Mathematics I
- MAT 53352 – Topics in Mathematics II
- MAT 53353 – Topics in Mathematics III

Rationale for change:

The goal of this change is to meet a consistent demand for online delivery of graduate level mathematics courses across both of our graduate degree programs and to serve the need for practicing secondary teachers seeking dual credit certification. The topics course provides the most versatility and flexibility to meet varying needs of students.

Effective Year/Term: Summer 2017.
