on April 21, 2017

The following request was approved by executive action at the College of Sciences Curriculum Committee meeting on April 21, 2017. The request would be effective Fall 2017. I ask that similar action be taken at the Council on Graduate Studies.

Requested change: To remove the following courses from the undergraduate and graduate catalogs:

MAT 4800

MAT 4810D

MAT 4810E

Rationale for change:

These courses are no longer offered by Mathematics and Computer Science.

Effective Year/Term:

Fall 2017
