RE: Executive Action Taken at the College of Sciences Curriculum Committee Meeting on April 21, 2017

The following request was approved by executive action at the College of Sciences Curriculum Committee meeting on April 21, 2017. The request would be effective Fall 2017. I ask that similar action be taken at the Council on Graduate Studies.

Requested change: To delete the following courses from the graduate catalog:

CDS 4800 Communication Modalities

CDS 5200 Developmental Syndrome Disorders

Rationale for change:

These courses are no longer offered by CDS.

Effective Year/Term:

Fall 2017
