The following request was approved by executive action at the College of Sciences Curriculum Committee meeting on April 21, 2017. The request would be effective Fall 2017. I ask that similar action be taken at the Council on Graduate Studies.

Requested Change:

To remove the following course from the undergraduate and graduate catalogs:
ECN4813 – Transitional Economies (3)

Rationale for change:

The Department of Economics no longer offers this course.
