

EXECUTIVE ACTION REQUEST

TO: Dr. David Boggs, CGS Chair
FROM: Dr. Douglas Klarup, COS Interim Dean
DATE: September 11, 2017
RE: Executive Action Taken at the College of Sciences Curriculum Committee Meeting on September 8, 2017

The following request was approved by executive action at the College of Sciences Curriculum Committee meeting on September 8, 2017. The request would be effective Spring 2018. I ask that similar action be taken at the Council on Graduate Studies.

Requested Change:

Revise the “prerequisites & notes” section of the course description for CRM/SOC 4790 – The Correctional Process: A Sociological Analysis in both the undergraduate and graduate catalog to remove the following statement: “Technology-delivered sections of this course are restricted to students in EIU programs that are exclusively online or off-campus.”

Rationale for change:

This restriction unnecessarily limits on-campus students from enrolling in online sections of this course.

Effective Year/Term: Spring 2018

Current Catalog:

CRM 4790 – Policing Society: A Sociological Analysis
(3-0-3) On Demand. Provides an understanding of the entire field of the correctional system in terms of its official objectives, its actual effects and effectiveness, including special focus on experimental programs. Prerequisites & Notes: SOC 1838G and SOC 2761. Technology-delivered sections of this course are restricted to students in EIU programs that are exclusively online or off-campus. Credits 3.

SOC 4790 – Policing Society: A Sociological Analysis
(3-0-3) On Demand. Provides an understanding of the entire field of the correctional system in terms of its official objectives, its actual effects and effectiveness, including special focus on experimental programs. Prerequisites & Notes: SOC 1838G and SOC 2761. Technology-delivered sections of this course are restricted to students in EIU programs that are exclusively online or off-campus. Credits 3.
