LUMPKIN COLLEGE OF BUSINESS AND APPLIED SCIENCES
EXECUTIVE ACTION REQUEST

TO: Mary Hennig, Certification Officer
FROM: Austin Cheney, SoT Chair
DATE: 11/25/13

ACTION REQUESTED:

Remove TEC 5090A Seminar in Occupational Education I from the catalog

RATIONALE:

This course has become obsolete, and it is requested to remove the course from the catalog. As we are in ongoing review of courses in the EIU catalog, we will continue to incrementally remove and revise courses that are not current with technological developments or terminology.

EFFECTIVE DATE: (i.e.: Fall20XX, Spring 20XX): Spring 2014

CURRENT CATALOG COPY:

TEC 5090A- Seminar in Occupational Education I

(Arr.- Arr.-1 to 4) Intensive study of contemporary problems, issues, trends and developments in occupational education and technology.

Credits: 1 to 4
