**LUMPKIN COLLEGE OF BUSINESS AND APPLIED SCIENCES
EXECUTIVE ACTION REQUEST**

TO: Mary Hennig, Certification Officer

FROM: Dr. John Willems, Chair, School of Business

DATE: December 3, 2014

ACTION REQUESTED:

The School of Business Curriculum Committee approved and now requests that the assigned prefix for current course MGT 4850 Project Management be changed to OSC, thus creating (and replacing the former) **OSC 4850 Project Management**.

RATIONALE:

The content of this course is consistent with the Operations and Supply Chain discipline and subject matter. This course is also connected to the new Operations and Supply Chain Minor, thus it makes sense to identify it as such with the new OSC prefix.
