RE: Financial Planning Education Program

DATE: April 28, 2015

---

The Graduate School is requesting by Executive Action that the Council on Graduate Studies approve the non-degree, post-baccalaureate, online offering of the Financial Planning Education Program with the School of Business. Students enrolling will be admitted by the Graduate School and tracked by the Banner code 1FIN.

All coursework is undergraduate level and students completing the program will qualify to register for the Certified Financial Planner (CFP) Examination.
