EXECUTIVE ACTION REQUEST**

**TO:** Amy Annis, Certification Officer

**FROM:** Linda Simpson, PhD, Chair of SFCS

**DATE:** March 21, 2016

**ACTION REQUESTED:**

Request an online delivery mode for the MS in FCS degree program.

**RATIONALE:**

In an effort to provide greater flexibility and access of the MS in FCS graduate program across the United States and internationally, we request the MS in FCS be delivered online in addition to the on-campus option. All required courses are offered online with a substantial number of electives offered online as well. We feel this will allow for recruitment efforts to expand and reach potential students across the United States.
