FCS 5846 Administration of Human Service Programs has long been offered face-to-face. The MS in FCS degree program is in the process of developing an online MS in FCS degree. FCS 5846 is one of a few FCS courses that is not offered in an online format. The addition of an online component will not change course content. The course will be offered in an alternative format.

The online component will be developed and facilitated by long-term, tenured, FCS faculty who have vast experience with online programming.
