EXECUTIVE ACTION REQUEST**

**TO:** Amy Annis, Certification Officer

**FROM:** Linda Simpson

**DATE:** November 9, 2016

**ACTION REQUESTED:**

Change Nutrition Education Throughout the Life Cycle (FCS 5153) from a traditional format to an online format.

**RATIONALE:**

With the proposed deletion of FCS 5153 as a required course for the MS in Nutrition and Dietetics: Dietetic Internship Option and the growing number of students enrolling in the MS in Nutrition and Dietetics: Nutrition Education Option desiring online course offerings, this course can be placed online very effectively.
