EXECUTIVE ACTION REQUEST**

TO: Amy Annis, Certification Officer for LCBAS

DATE: January 11, 2017

ACTION REQUESTED:

1. Delete BUS 2101(Financial Accounting) and FCS 2140 or FCS 3784, as perquisites for FCS 4940.

RATIONALE:

1. Changes in accreditation standards for the dietetics program have created the need for program revision, including the deletion of Financial Accounting. FCS 4940 is taken by both dietetics and hospitality management students. The basic accounting content in FCS 4940 can be enhanced for those students without a financial accounting class with limited revision. The management content in FCS 4940 can be covered adequately without the lab experience provided in FCS 2140 or FCS 3784.
