Change course description:

MGT 4800 – Management of Innovation and Technology

Request from Dr. Smith on following page.

**LUMPKIN COLLEGE OF BUSINESS AND APPLIED SCIENCES
EXECUTIVE ACTION REQUEST**

TO: Dr. William Minnis, Interim Dean, LCBAS
Dr. Jerry Cloward, LCBAS Curriculum Committee Chair

FROM: Dr. Denise Smith, Interim Chair, School of Business

DATE: February 15, 2018

ACTIONS REQUESTED:

The School of Business Graduate Committee and Curriculum Committees request:

- 1) The removal of COM 4800 – Management of Innovation and Technology (as listed in the Graduate Catalog)
- 2) Updating MGT 4800 – Management of Innovation and Technology (as listed in the Undergraduate and Graduate Catalogs)

RATIONALE:

- 1-1) This class (that was cross-listed COM 4800/MGT 4800/AET 4800) is the only remaining course at EIU with a COM prefix. It was removed from the undergraduate catalog many years ago (pre-2005) in the reorganization of the School of Business. Apparently it was not removed from the Graduate Catalog at that time.
- 2-1) Dr. Cheney has indicated that with the current revision of AET's curriculum, AET 4800 (at one time INT 4800 given course description) will be deleted.
- 2-2) The MGT discipline would like to retain this class in their major as a potential future offering.

EFFECTIVE DATE:

Fall 2018
