**LUMPKIN COLLEGE OF BUSINESS AND TECHNOLOGY
EXECUTIVE ACTION REQUEST**

TO: Dr. Austin Cheney, Dean, Lumpkin College of Business and Technology
FROM: Dr. John Willems, Interim Chair, School of Business
Dr. Peter Liu, Interim Chair, School of Technology
DATE: April 8, 2020

ACTION REQUESTED:

- Drop CSM 2670 from the list of prerequisites for CIT/MIS 4760
- Add CSM 2170 to the list of prerequisites for CIT/MIS 4760
- Change minimum required grade for all prerequisites to “C” or above for CIT/MIS 4760
- Drop AET 4163 from the list of prerequisites for CIT/MIS 4760

Approved: 3/25/2020 by the School of Business MIS/OM discipline

Reviewed: 4/7/2020 by the School of Business Curriculum Committee

RATIONALE:

To align better with student’s success and ABET requirements, CSM 2170 – Computer Science I is replacing CSM 2670 – Object Oriented Programming. This is a better fit given the CIT student’s preparation, as opposed to CSM 2670. Additional C or better grade is being added in the pre-requisites courses ensures students are better prepared to take CIT/MIS 4760.

EFFECTIVE DATE: (i.e.: Fall 20XX, Spring 20XX):

Spring 2021
