**EFFECTIVE DATE:**

Fall 2021

Request and rationale from department included.

**LUMPKIN COLLEGE OF BUSINESS AND TECHNOLOGY  
EXECUTIVE ACTION REQUEST**

**TO:** Amy Annis, Certification Officer

**FROM:** Peter Ping Liu, (Interim Chair) School of Technology

**DATE:** 2/18/21

**ACTION REQUESTED:** Add hybrid and online modes of delivery to EGT 4943 Manufacturing Management.

**RATIONALE:** The hybrid mode will enable designated time for students to engage in independent learning related to the course content and allow students to work at their own pace (e.g., completing online case studies/online labs related to manufacturing management, online software tutorials, and quizzes). The online mode will allow the program to offer this course to remote learning students. As an elective course for Technology Management graduate program, the online option will also offer flexibility for current professionals to take the course.

**EFFECTIVE DATE:** (i.e.: Fall 20XX, Spring 20XX): Fall 2021
