

CLAS Student Commencement Speaker Competition

Purpose: To promote Eastern's commitment to strengthening the academic and personal experience for our students and to showcase examples of exemplary writing and speaking, Eastern Illinois University has initiated the Student Commencement Speaker Series. This program replaces the former student and faculty speaker traditions at Eastern.

Representing the College of Liberal Arts & Sciences, a student speaker will be featured during the Spring 2021 ceremony on Saturday, May 7, 2022.

Commencement Speaker eligibility requirements:

- Graduation Criteria: Students eligible for consideration must provide evidence from the degree audit that they will meet the requirements for graduation in the commencement ceremony they seek to represent. Student commencement speakers are expected to speak at their commencement ceremony.
- Scholarship Criteria: Students eligible for consideration must have a cumulative GPA of 3.25 or higher for courses completed at Eastern Illinois University at the time that they submit materials for consideration.
- A selection committee comprised of faculty will select potential essays for oral presentation to be given in front of the committee. A final decision will be made based on the quality of the written essay, as well as the quality of the oral presentation. Rubrics are available on the CLAS website. https://www.eiu.edu/clas/student_awards.php
