JOIN ISTEM!

Fall 2019 Welcome Reception
Thursday, Sept 5 @ 5:00 pm
Edgar Room (room 3202), Booth Library

iSTEM brings together students from underrepresented groups in the sciences, social sciences, technology, engineering, mathematics and computer science fields. Faculty serve as mentors and are committed to encouraging and empowering students.

Students participating in iSTEM will:

Join an inclusive network of peers, faculty and non-academic professionals

---

Learn ways to achieve professional success

Explore opportunities to expand your knowledge in STEM fields
