IV. Other Issues or Concerns

Dr. Christy Hooser advised the committee the Governor has extended the disaster order, therefore, ISBE has extended the EdTPA requirement thru Fall 2023. By the next extension date (end of June 2023), information should be available in regards to passing of the licensure content and whether it will be extended until Spring 2024.

Dr. Christy Hooser also advised in Spring 2023, we should expect more content to our meetings as programs are revised and alignment of curriculum courses will occur, and matrixes will then move to COTE.

V. Meeting adjourned at 2:05 pm- Cori More motioned to adjourn, Dawn VanGunten seconded.
