Prerequisite Changes for ELE 5260, MLE 5270, ELE 5600, ELE 5610, ELE 5620

As part of the revisions being proposed for the M.S.Ed. in Elementary Education, the prerequisites need to be changed for these courses. There were no objections to the proposed prerequisite changes, so they will be forwarded for Executive Action.

CEPS 05-01J Program Revision, M.S.Ed. Elementary Education

Merribeth Bruning presented the proposal to revise the M.S.Ed. in Elementary Education program. Faculty members from EC/ELE/MLE were also available to help answer questions. While Dr. Lockart supports this proposal, she asked that the minutes reflect her concerns that the department will have enough faculty and financial support to offer all of the courses for this program through the EC/ELE/MLE department without relying on Continuing Education to offer the courses. Following discussion, the proposal was unanimously approved. Effective date is Fall 2006.

The meeting was adjourned at 3:03 p.m.

Respectfully submitted,

Bonnie Wilson
