Re: Executive Action Request

The Kinesiology and Sports Studies Department is requesting by executive action to change the graduate sport administration prerequisite course from KSS 4761 to KSS 4325. The KSS 4761 course is being eliminated from the undergraduate program and the KSS 4325 is a true organization/administration course and would serve as a more appropriate prerequisite for graduate studies. If the KSS 4325 course is approved to replace the KSS 4761 course, the KSS 4761 course could then be eliminated from the catalog after Fall 2012.

Effective: Fall 2012
