Re: Request for Executive Action from the Department of Counseling & Higher Education

Action Requested:

To change the approved start date for CHE 5885 from Summer 2020 to Spring 2020.

Rationale:

The original proposal, approved by COE Curriculum Committee and the Council on Graduate Studies, for CHE 5885 (Community College) included a start date of Summer 2020. After further review, changing the approved sequence for the HECC online program to offer CHE 5885 in Spring 2020 and Research in Summer 2020 would be a better fit for the program.
