**Request for Executive Action:**

Feedback was requested on the following executive action. Members of the Council expressed no concerns. The requests will now be forwarded to CAA for approval.

**Action Requested:** Eliminate *General Studies: Option in Child Care Education (ABC)*

**Effective Date:** Summer 2020

**Rationale:** The Option in Child Care Education (ABC for marketing purposes) is housed in the School of Extended Learning. Required courses are housed in the Department of Human Services and Community Involvement (HSCL). HSCL has a new minor (Early Childhood Program Administration) approved effective Summer 2020. This minor will replace the ABC program. There are currently only 3 students enrolled in the program. These students are inactive and were not planning to complete the program.

Respectfully submitted,

Tiffany Swalls
