RE: Modification of EC, ELE and MLE programs to accommodate PUB 3200

It has been brought to my attention that we could not just substitute PUBH 3200 for PUBH 3000 as an Executive Action. Because that particular class is part of the Professional Course Work, we must ask for a modification of our official programs.

**Rationale for the request:** PUBH 3000 is no longer offered and has been substituted with PUBH 3200. The EIU department of Health Studies made this modification.

Action requested:

**Early Childhood Education** (B.S. in Education) Total semester hours required for the Degree: ~~124~~ 125 semester hours

Professional Course Work (~~72~~ 73 semester hours)

All professional education coursework must be completed with a "c" or better prior to student teaching.
