Request for Executive Action

To: Teaching, Learning and Foundation Curriculum Committee

From: Patricia Fewell, Chair, TLF

RE: Master Teacher removal from catalog and IBHE listing

Action requested:

Officially remove the M.S. Ed. Master Teacher from any catalog entries and from IBHE listing as an approved program.

Rationale:

The MS. Ed. Master Teacher has been removed from the graduate catalog and not supported in any fashion by the university. The program was "officially" suspended in 2013, but not removed from the IBHE program listing. There are no students pursuing this degree.
