Students must maintain a CGPA and MGPA of 3.0 and meet undergraduate Essential Functions criteria (see CDS Clinic Handbook) required to practice as a speech-language pathologist or audiologist. Students whose CGPA drops below 3.0 will be placed on academic warning for the major and have until the end of the following term to raise the CGPA to 3.0. If a student in academic warning for the major fails to return the CGPA to the required 3.0 level during the next term in which they are enrolled, CDS major status is lost, and the student may not enroll in additional CDS courses as a CDS major

Submit 3 Essays to Writing Portfolio. Instructor approval required.
