HELP STOP THE SPREAD!

BE AWARE OF YOUR SURROUNDINGS:

• Always maintain a situational awareness.

• When traveling down hallways be aware of floor markings and direction of travel.

• When approaching a congested entry or exit, stay back and wait until the exit is clear.

• Be aware of and avoid those who are not be wearing a face covering.

• Avoid spending the entire day in classrooms / indoors.

• Be patient and compassionate! Everyone is adapting to new ways of navigating campus!
