SCHOOL OF TECHNOLOGY
AT EASTERN ILLINOIS UNIVERSITY

CAREER AND TECHNICAL EDUCATION PREPARES STUDENTS TO TEACH HIGH SCHOOL BUSINESS, FAMILY AND CONSUMER SCIENCES, OR TECHNOLOGY.

This major requires that students follow and meet the requirements for Admission, Retention and Graduation from Teacher Licensure programs as described in the "Teacher Licensure Programs" section of this catalog and as explained at the University Admission to Teacher Education Meeting which all students must attend. Students must gain University Approval to take Teacher Education Courses no later than the end of their first semester of their junior year in order to use this suggested plan. Additional information on Admission, Retention and Graduation for Teacher Licensure programs can be found on the College of Education & Professional Studies website at www.eiu.edu/ceps/ taught.

All students must pass the Illinois Licensure Test of Academic Proficiency or document a composite score of 22 or higher, with combined English/Writing score of 19/Writing Subtest score of 16, on the ACT plus Writing for selection into teacher education and should complete this requirement no later than their sophomore year.

Students must receive a "C" or better in all courses used toward graduation, regardless of where they are taken. This includes general education, professional education, major and minor courses, all university required courses, and electives. Students must maintain a minimum cumulative and major GPA of 2.65 in order to continue in the program.

For students also wanting to be eligible to teach in a middle school, additional Middle Level Education courses are required.

Students must complete the professional education coursework following the Regular Secondary Education Professional Education Course Sequence (RSEP).
