

MASTER OF ARTS IN TEACHING

ELEMENTARY EDUCATION

Earn Your Master of Arts in
Teaching in Elementary Education at EIU
FULLY ONLINE IN JUST ONE YEAR!

LAUNCH YOUR CAREER IN ELEMENTARY EDUCATION

The Department of Teaching, Learning and Foundations at EIU is offering a master's degree program in Elementary Education that is fully online and is designed for aspiring educators as well as career changers who want to make a difference in children's lives. Teaching is a rewarding career, and the benefits of this program will help you earn your degree and obtain licensure to teach in grades K-6 in Illinois. We are preparing the next generation of teachers, and we want you to be part of this exciting program.

PROGRAM HIGHLIGHTS:

- **FULLY ONLINE** - complete your coursework from anywhere!
- **ACCELERATED ONE-YEAR FORMAT** - earn a graduate degree and be ready to teach after 3 semesters of coursework
- **EXPERT FACULTY** - learn from experienced educators and scholars.
- **FLEXIBLE & SUPPORTIVE** - experience a program designed for people who live busy schedules and need the flexibility of asynchronous online courses.
