

## History Fair

The Illinois Historic Preservation Agency and our faculty Regional Fair Co-ordinators, Mrs. Dawn Paulson and Mrs. Denise Reid helped organize the 52<sup>nd</sup> Annual Eastern Illinois Regional History Fair. Students from around the region's high schools came and displayed their projects for judges and other visitors. The judges were volunteer teachers from area schools and pre-service teachers from our department. The award winners selected by the judges advance to the Illinois History Expo. This year's Illinois History Expo will be held on May 8, 2014 in the Prairie Capital Convention Center in Springfield, Illinois.
