

Illinois Units

Mrs. Sherwood's classes have partnered up with Mattoon Middle School and Martinsville schools to teach students different lessons. At Mattoon, the students are collaborating to teach lessons connecting Social Studies and Reading together. The EIU students have made units on a particular Social Studies theme or topic then incorporate reading lessons into the specific theme. In the past the students have also done "Illinois Units" and a Language Arts Day. Students work together to create and teach the lessons. This year, the students will be presenting their lessons at the end of April, after they have completed their practicum. To view the students in action and to learn more, please visit: <http://www.eiu.edu/eemedu/why.php#partnerships>

The Classroom in the Community

Partnerships with our schools give EIU Elementary Education students the opportunity to get real world experience in actual classrooms.
