

Thomas Hoehn Creative Activity Fund

Eastern alumnus, Mr. Thomas Hoehn (pictured above) started his academic career as a business major but after one semester, he made the switch to education and graduated in 1968. Thomas went on to have a long and rewarding career in education. He retired from teaching in 2002. He wanted to give back to Eastern and also the teaching field. He and his wife helped start the Creative Activity Fund to enhance the classroom experience by providing creative opportunities for integrative learning. The recipient(s) of this award need to demonstrate a project need that is to be integrated in their classroom (practicum) experience (e.g. lesson supplies/ resources / manipulatives / certificates / trophies for competitions, etc.). Items purchased through this fund (pictured above) are to remain in the school upon project completion. This year's recipients are:
