DEPARTMENT OF EARLY CHILDHOOD, ELEMENTARY,  
AND MIDDLE LEVEL EDUCATION

ELE 4880  
Diagnostic–Prescriptive Reading Instruction  
Fall - 2009

Professor: Tim Croy, Assistant Professor  
Office: Buzzard Hall, Room 2219  
Office Hours: M/W 10:00 a.m. to 1:00 p.m. or by appointment.  
Phone: Office: 217/581-7890; Home/Cell: 217/254-4878  
E-mail: cftwc@eiu.edu  
Prerequisites: ELE 3280, ELE 3281 or MLE 4280. Concurrent enrollment with ELE 3340 and ELE 3290 or permission of department chair.

Unit Theme: Educator as creator of effective educational environments: integrating students, subjects, strategies, societies and technologies.

Course Description: Diagnostic procedures and materials in reading for teachers in self-contained and departmentalized classrooms from kindergarten through junior high/middle school. Field-based experiences. (3-0-3)

Prerequisites & Concurrent Enrollment: ELE 3281 for Early Childhood Option; ELE 3280 for General and Middle School Options; or permission of department chair. University Teacher Education requirements apply and department requirements for enrollment must be met.

Course Purpose: The overall goal of this course is to provide future teachers with the knowledge base necessary for appropriate use of diagnostic teaching procedures and materials of reading instruction within the regular classroom, from kindergarten to junior high/middle school. Emphasis will be based on understanding how students learn to read, strategies for improving an individual student’s reading achievement, and how to become an informed diagnostic-prescriptive teacher of reading. Future teachers will be made aware of factors that support student learning or place students “at risk” and some ways to manage these variables in the regular classroom.

Course Textbooks:  

Supplemental Materials: Class Packet

Teaching Model:  
The Information-Processing Models

- Information-processing models emphasize ways of enhancing the human being’s innate drive to make sense of the world by acquiring and organizing data, sensing problems and generating solutions to them, and developing concepts and language for conveying them.

The Social Family Models: Building the Learning Community

- When we work together, we generate a collective energy that we call synergy. The social models of teaching are constructed to take advantage of this phenomenon by building learning communities. Essentially, “classroom management” is a matter of developing cooperative relationships in the classroom. The development of positive school cultures is a process of developing integrative and productive ways of interacting and norms that support vigorous learning activity.

Dispositions: Teacher candidates in the Department of EC/ELE/MLE will exhibit professional ethical practices, effective communication, and sensitivity to diversity, the ability to provide varied teaching practices evidenced in a supportive and encouraging environment.

Live Text Assessment Requirement: For those classes with Live Text or Practicum- If the portfolio or Live Text requirements are rated, by the instructor, to have been completed in less than a satisfactory manner then no more than a “D” may be earned in the class regardless of the number of points earned.

Standards:  
Course Requirements and Demonstrated Competencies are aligned with the following Standards:

- Illinois Core Technology Standards (ICTS): [http://www.isbe.net/profprep/standards.htm](http://www.isbe.net/profprep/standards.htm)  
- Association for Childhood Education International (ACEI): [http://ncate.org/ProgramStandards/ACEI/ACEIstandards.doc](http://ncate.org/ProgramStandards/ACEI/ACEIstandards.doc)

* interest inventory (handout or E/S, p. 226)  
* Graded Word List (Start with PP list)  
  * oral reading of graded passages (attempt three levels)  
    Begin where you think the material will be easy for the child (one level below the child’s independent level on the GWL). If you are unsure, start with the first grade passage 1A, and proceed upward.

  * spelling tests  
  * unassisted process writing

**Readers who are considered below grade level**

If you are working with a severely disabled or another type of special needs student, it will be necessary to modify assessments which are used.

**Points to Remember**

1. With the help of the cooperating teacher, select an individual student below the class average with whom to do the assessments. All six assessments should be done with the same child.

2. Be sure you understand the purpose and the instructions for administration before you attempt any Assessments.

4. When administering the Graded Word List, photocopy the stimulus page and cut the lists apart so that you can present one at a time to the student.

   Scoring is as follows:  
   0 or more error – independent level  
   2 errors – instructional level  
   3 errors – frustration level (Stop at frustration level).

5. Tape record oral reading on the Graded Passages. If you don’t have a tape recorder, try to borrow one or use one at the school. Supply your own blank tape.

6. See me if you need any help
