Unit Theme: Educators as creators of effective educational environments, integrating diverse students, subjects, strategies, societies, and technologies.

Course Description: Concepts and issues in the physical, social, emotional, and intellectual growth and development of children and early adolescents: prenatal through middle school/junior high. Field based activities will be provided in conjunction with ELE 2000.

Prerequisites & Concurrent Enrollment: Concurrent enrollment with ELE 2000 is desirable.

Course Purpose: This course will orient students to learning principles/theories and child development principles/theories and will serve as a foundation for higher level courses. This course is intended to increase knowledge of ways children grow, develop, and learn from the time they are conceived until they have matured beyond early adolescence. The physical, social, emotional, and intellectual development of children and adolescents will be explored. Appropriate activities which promote the growth of children and adolescents, and societal changes which influence their development, will also be investigated.

Teaching Model:
The Information-Processing Models
- Information-processing models emphasize ways of enhancing the human being’s innate drive to make sense of the world by acquiring and organizing data, sensing problems and generating solutions to them, and developing concepts and language for conveying them.

Dispositions: Teacher candidates in the Department of EC/ELE/MLE will exhibit professional ethical practices, effective communication, sensitivity to diversity, and the ability to provide varied teaching practices evidenced in a supportive and encouraging environment.

Live Text Assessment Requirement: For those classes with Live Text or Practicum- If the portfolio or Live Text requirements are rated, by the instructor, to have been completed in less than a satisfactory manner then no more than a "D" may be earned in the class regardless of the number of points earned.

Standards
Course Requirements and Demonstrated Competencies are Aligned with the Standards:
- Association for Childhood Education International (ACEI): [http://ncate.org/ProgramStandards/ACEI/ACEIstandards.doc](http://ncate.org/ProgramStandards/ACEI/ACEIstandards.doc)

Outcomes specific to ELE 2320:
- The student will gain a better understanding and practice higher order and critical thinking.
- The student will strive to develop their intellectual, social, ethical, and moral skills and behavior.
- The student will understand the uniqueness of individuals, recognizing the characteristics of culturally pluralistic and “at risk” populations, and foster appreciation of those differences.
- Through modeling by the professor, the student will learn to recognize the cognitive processes associated with learning.

**Grading Scale:**

- 90% and above = A
- 80% - 89% = B
- 70% - 79% = C
- 60% - 69% = D
- Below 60 % = F

At any point in this course, a student can determine the letter grade at which he/she is achieving by dividing the number of points earned on tasks required. The above percentage levels can be matched with the designated letter grade equivalents. EXTRA CREDIT POINTS will be available throughout the semester. Students may complete one extra current event. A maximum 30 points can be earned through extra credit.

Due dates will be set for all work, one point shall be deducted for each calendar day that a paper or project is late. No work will be accepted after Tuesday, December 07, 2010.

A 10% deduction will be assessed on all tests not taken on the assigned test day. This means tests taken early or late.
**Tentative Due Dates:**
- 09/21/10 – First Article
- 10/19/10 – Second Article
- TBA – Video reactions
- 11/16/10 – Personal Child Study Paper
- 11/30/10 – Current Event
- TBA – Tests
- 12/14/10 @ 5:15 p.m.-7:15 p.m. - Final Exam

**Two Short Articles:**
Select two current (2000-) articles related to research regarding any component of childhood and early adolescent development. Cite title, author, date and source of material. Abstract the research into one to two pages of double-spaced typed material. Write your reaction to the research findings. The *first* article must be from the selection of articles on reserve in the library. These articles are listed under my name and this course. The *second* article must be from the Internet from a Professional Journal. These articles must be typed with a 12-point font and double-spaced.

Components of the paper will include:
- Reference in APA formats (top of page).
- Summary of article.
- Reaction to the article.
- Copy of the article.

All written assignments will follow the American Psychological Association (APA) style 5th Edition and format. An APA handout is on reserve in the library. As prospective teachers, all students will be expected to meet criteria associated with grammar, spelling, and sentence structure.

**Grading:**
- The article will be worth 25 points.
- Reference cited in APA style ........................................... 5
- Summary of Article ......................................................... 10
- Reaction to the Article .................................................... 5
- Quality – grammar, spelling, punctuation, page length ................ 5

**Personal Child Study Paper:**
You will be writing a paper on your development from birth to adolescence. Discuss your physical, social, emotional, intellectual, and language development in your paper and relate your development to what the textbook states regarding children’s growth and development. Children’s development in these areas may vary greatly. Please include in the paper if you were gifted in any particular area or if you might have been more delayed in some areas. This paper will be read only be the professor, so please be as complete as possible. This paper should be at least five typed pages (double-spaced) in length. You can include examples of drawings, pictures, writings, etc.

**Current Event:**
You will select a current event item from a newspaper or magazine that is relevant to this class. It must be about child development/behavior. You will report on this item orally to the class. Also, please write a summary of the news item on a 3x5 note card to be turned in to the professor.

**Video Reaction:**
You will be required to write a reaction to four videos that will be viewed in class. The reaction should be ½ to 1 page in length, typed, double-spaced.
