An immersive experience.

All students at Harlaxton meet the British world around them: getting to know the English people they meet; traveling on field trips and college-sponsored trips; through independent travel; and through the rich environs of Harlaxton itself. Through a course in British Studies, students explore the who, the when, the why, and the what of British history. Many local families take part in the Meet-a-Family program, which allows participating students the chance to form personal relationships with area Britons.

The Faculty and Staff at Harlaxton were truly superb ... so welcoming and caring towards all of us.

—Elizabeth Hood, student

It was the best semester of my life and the temptation to go back is killing me.

—Doug Graham, student

Harlaxton is a unique experience because you live, dine, and study with your professors. This gives it a great community feeling because you get to interact and know your faculty outside of the classroom.

STUDY ABROAD ENGLAND SEMESTER PROGRAM

HARLAXTON COLLEGE/ EASTERN ILLINOIS UNIVERSITY

Harlaxton students can take college-sponsored weekend trips to Paris, Rome, Ireland, Scotland, and to several sites of interest within England. And only an hour away, London offers a world unto itself, and through Heathrow Airport and the Chunnel, a gateway to inexpensive travels through Europe and beyond.

Join us for a full semester as we take up residence in the English Midlands at Harlaxton Manor. In Harlaxton's opulent nineteenth-century classrooms—and as the season warms, on the lawns and in the gardens of the manor—you'll advance your degree program through courses in a variety of disciplines taught by Harlaxton's British faculty as well as visiting professors from America. Spend weekends either at Harlaxton itself, exploring nearby London (one hour by train), roaming Europe, or walking the English countryside from Harlaxton's main gate.

How much will it cost? Total costs for the Spring 2013 semester at Harlaxton—airfare, books, tuition, room and board—will be \$14,033 (less than \$1900 more than estimated costs to live and study at Eastern that semester).^{*} So for approximately the same cost, where would you rather live next semester?

FOUR MONTHS OF LIFE AND STUDY IN AN ENGLISH MANOR

Harlaxton Manor is one of the most beautiful residences in England. However many pictures we show you in advance, your first sight of it in person will literally make you gasp. But the gorgeousness of this place is the least of what awaits students who study at Harlaxton for the semester. Join us for four life-changing months as we explore Britain, Europe, and ourselves.

LIFE IN AN ENGLISH MANOR

Completely reconstructed in the 1830s and 40s, but with elements reaching back to the fifteenth century, Harlaxton is a residence to which virtually no other study abroad program anywhere can compare itself. Living and learning in a place like this is truly a once-in-a-lifetime opportunity.

YOUR HOME BASE FOR EXPLORING BRITAIN & THE CONTINENT

Harlaxton is so beautiful and extensive that it's possible you won't often want to leave. But ten minutes down the road, you'll find local culture, nightlife, shopping, and entertainment in the city of Grantham, birthplace of Sir Isaac Newton and Margaret Thatcher. An hour away by train, London beckons. And from there, the world is your oyster. Harlaxton's Travel Office can assist you in arrangements to explore Ireland, Scotland, or the continent from Paris to Prague and beyond.

A WORLD-CLASS CURRICULUM

All Harlaxton students take British Studies, where they lay the foundation of a meaningful experience by studying the history and culture of their temporary home. But a wide range of course offerings by British and American faculty fit with almost any major, providing unparalleled access to extremely accomplished teachers and scholars.

FINANCIAL AID

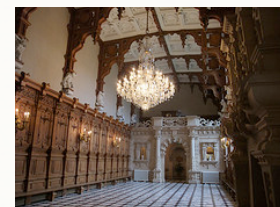

Most sources of financial aid available to Eastern students may also apply to study abroad. Weber Study Abroad Scholarship (up to \$500), the Charles Austin Scholarship for Honors Students (\$1000), and other, discipline-specific scholarships. The Office of Study Abroad can also assist students in applying for national sources of funding such as the Rotary Cultural Ambassador Scholarship (\$10,000) or the Gilman International Scholarship (up to \$5000 for recipients of Pell Grants).
