III. Committee Reports:
1. Textbook Rental Service Advisory Committee
   Dr. Bower reported on the Textbook Rental Service Advisory Committee. She asked the council for ideas regarding technology and alternative media that might be useful for the Textbook Rental Service. The council members provided input.

2. Enrollment Management Advisory Committee (EMAC)
   Ms. Julie Sterling submitted an email to Dr. Roszkowski, CAA Chair, on November 27, 2007. The email provided an update on EMAC and a link to the October 2007 EMAC minutes. Dr. Roszkowski indicated that Ms. Sterling is willing to attend a future CAA meeting to provide a report on EMAC. Also, Dr. Shank explained that she had been a member of committee that looked at the idea goal for freshman enrollment. That committee had compiled an extensive report that might be helpful for EMAC. Dr. Herrington-Perry, an EMAC member, indicated that the report was included in a packet of materials that EMAC is reviewing.

2. 07-86, Communication Disorders & Sciences (Revised Major)

V. Items Acted Upon:
1. 07-56, Mid-Term Grade Submission (Revised Policy)
   The council discussed and tabled agenda item 07-56 at its meeting on September 13, 2007.

   Today, the council revisited the item. Ms. Harvey and Dr. Sanders presented the proposal and answered questions of the council.

   Dr. Reid moved and Dr. Dietz seconded the motion to approve the proposal. The motion failed with the following vote.

   Yes: Shank
   No: Bower, Dietz, Dilworth, Hendrickson, Hyder, Reid, Roszkowski, Stowell, Wyatt

   There was discussion about revising the proposal and creating a new one. If that is done, Dr. Roszkowski suggested that before the council acts upon it there be more discussion with the Records Office and others to make sure the revisions are feasible.

   Dr. Shank moved and Dr. Hyder seconded the motion to revise the proposal as follows:

   Faculty must submit mid-term grades for all students earning grades of D or F in undergraduate lower-division courses; they may submit mid-term grades for students earning D's or F's in upper-division courses.

   The item will be added to the agenda for discussion at a future meeting.

2. 07-63, Honors Council Appointments
   On September 10, 2007, Dean Irwin, Honors College, submitted a memorandum to CAA regarding the Honors Council appointments for the term of 2007-2010. At the October 11, 2007 CAA meeting, Dean Irwin explained her request. In addition, at that meeting the council added the item to its agenda as an agenda item.

   Today, the council revisited the item. Dean Irwin presented the proposal and answered questions of the council. The council recommended that the Honors Council minutes be submitted to CAA and Honors Council bylaws be created. In addition, whenever an appointment is needed for the Honors Council, CAA recommended that the positions be advertised to the campus community more extensively and college deans, academic chairpersons, and faculty teaching honors courses be contacted so that they can alert individuals in their areas that an appointment needs to be filled.

   Dr. Reid moved and Dr. Shank seconded the motion to approve the proposal. The motion passed unanimously.

   The proposal was approved.

   Dr. Jean Wolski and Dr. Sam Guccione were appointed to serve on the Honors Council for the following term: 2007-2010.

Dr. Dietz left at 3:16 p.m.
3. **07-80, Anthropology Minor (Revised Minor)**

The proposal (See Attachment A) was approved, effective Fall 2008.

Note: At the November 29, 2007 CAA meeting the council reviewed an executive action request to cross-list ECN 4511 and ANT 4511. At the time, the council recommended that the following statement be added to both the ECN 4511 and ANT 4511 course descriptions: “Credit cannot be earned for both ECN 4511 and ANT 4511.” Today, Dr. Roszkowski indicated that she will share the council’s recommendation with the College of Sciences and copy it to Dr. Foster.

4. **07-81, HIS 4790 4785, Crusade and Jihad: Religious Violence in the Islamo-Christian Tradition (New Course)**

The proposal (See Attachment B) was approved, effective Fall 2008.

6. **07-79, EIU 4115G, Pop Culture Economics (New Course)**
CAA currently has a moratorium on Senior Seminar course proposals. At its March 30, 2006 meeting, CAA agreed to establish a Senior Seminar Review Subcommittee to assess whether senior seminars are meeting the goals set forth in the senior seminar mission. That subcommittee did not complete its work during the Spring 2007 semester. However, Dr. Roszkowski indicated that it will reconvene to continue discussions during the Spring 2008 semester. She outlined items that the subcommittee will address during its meetings. Also, she explained that the subcommittee should have something to bring before CAA near the end of the Spring 2008 semester. Since it will be awhile before the subcommittee has something, Dr. Roszkowski asked the council if it would consider the EIU 4115G proposal even though there is a moratorium on senior seminars.

The council discussed it.
Dr. Shank moved and Ms. Dilworth seconded the motion to suspend the moratorium on Senior Seminars. The motion passed unanimously.

EIU 4115G will be acted upon at the January 10, 2008 CAA meeting.

7. **07-83, Proposal for Electronic Voting at CAA Meetings**
   Dr. Stowell presented the proposal, demonstrated Turning Point, explained how it could be used for electronic voting, and answered questions of the council. The council discussed it. It was noted that if the proposal was approved, then the CAA bylaws would have to be revised.

   Dr. Bower moved and Dr. Hyder seconded the motion to approve the proposal, contingent on the revisions of the CAA bylaws and approval of those revised bylaws by the appropriate identities.

   Discussion continued.

   Dr. Shank moved and Dr. Hendrickson moved to table the motion pending the council’s experimentation with the use of the process. The motion passed unanimously.

8. **07-84, Affirmation of the Importance of Writing Across the Curriculum**
   At the November 29, 2007 CAA meeting the council appointed an ad hoc committee to address the affirmation of the importance of writing across the curriculum. That committee consists of Dr. Debra Reid, Dr. Christie Roszkowski, and Dr. Kathlene Shank. The subcommittee drafted a proposal and submitted it to the council via email earlier today, as well as distributed copies of it at the beginning of today’s meeting.

   Today, the ad hoc committee presented the proposal and answered questions of the council.

   Dr. Shank moved and Dr. Stowell seconded the motion to approve the proposal. The motion passed unanimously.

   The proposal (See Attachment C) was approved.

The council expressed appreciation to Dr. Kathlene Shank for her service on CAA.

The next meeting will be held Thursday, January 10, 2008.

The meeting adjourned at 2:55 p.m. –Minutes prepared by Ms. Janet Fopay, Recording Secretary

2. 07-87, Voluntary Submission of Mid-Term Grades for Upper-Division Courses
Approved Executive Actions:

COS  
Effective Fall 2008

1. Cross list ECN 4511 and ANT 4511. **

** NOTE: Currently, ANT 4511 doesn’t exist. As a result of this executive action request, ANT 4511 will be created.

Rationale from the executive action request: The current course (ECN 4511) is anthropological in its orientation and content. If an economic anthropology course were developed, it would not differ substantially from the existing course, and to that end, the anthropology curriculum would like to take advantage of the existing course's presence. The field of comparative economics has evolved since the collapse of the Soviet Union, and one of the directions in which it has changed is to include the analysis of the economies of pre-industrial societies. This allows comparative economists to develop a deeper understanding of the role of culture in the organization of economic systems, both industrial and pre-industrial.

Pending Executive Actions:

Admission Requirement for the Accounting Program
(page 53 of the 2007-08 Undergraduate Catalog)

Admission Requirements
Students who seek to major in accounting must satisfy the requirements for admission to the School of Business. Students with the GPA of 2.75 or higher at the time of they request admission to the School of Business accounting program will be admitted to the accounting program.

Admission by Exception: A student with a GPA lower than 2.75 at the time of may apply for admission to the School of Business accounting program may apply for admission to the accounting major by exception. A committee of faculty will review the student’s academic records and other relevant information submitted by the student. The committee may also interview the student. The committee may approve the student’s application subject to certain performance standards, as prescribed by the committee. The committee will communicate its decision to the Chair of the School of Business, and will monitor the student’s progress in meeting the performance standards. If the student fails to meet the performance standards, the student will be dismissed from the accounting program.
At the Council for Academic Affairs (CAA) meeting on November 29, 2007, the undersigned Council members were appointed as an ad hoc committee to address affirmation of the importance of writing across the curriculum. As explained below, we propose the following:

1. **CAA adopt the following statement:**
   CAA hereby reaffirms its commitment to the importance of writing in Eastern Illinois University’s curricula as evidenced both in the University mission (“Throughout their education, students refine their abilities to reason and to communicate clearly so as to become responsible citizens and leaders”) and in the General Education mission (“to enhance student literacy”).

2. **CAA appoint a committee, as described below, to review issues relating to writing in the curriculum.**

**Rationale**

Recent discussions at CAA and in other campus committees have raised issues concerning whether writing is appropriately emphasized in the university curricula. Currently, the university-wide writing requirements are limited to those imposed as part of the general education curriculum:

- All native students must complete, with a grade of C or better, two writing centered courses as part of general education: ENG 1001 Composition and Language and ENG 1002 Composition and Literature, or their honors counterparts, ENG 1091 and ENG 1092. (Under the Illinois Articulation Initiative, transfer students may satisfy this requirement by completing approved composition courses at other institutions. Those courses, while emphasizing writing do not necessarily meet EIU’s definition of writing centered.
- All students must complete one writing intensive course: the senior seminar that serves as the capstone course of the general education curriculum.
- All native students must complete the university’s general education curriculum. All gen ed courses are designated as. (Under the Illinois Articulation Initiative, transfer students may satisfy general education requirements through courses at other institutions; those courses do not necessarily meet EIU’s definitions of writing centered, writing intensive or writing active.)

Recently, CAA approved a proposal – submitted by the university Committee for the Assessment of Student Learning (CASL) – that revises the requirements for the Electronic Writing Portfolio. A key provision of this proposal broadens the courses from which students may select papers to submit as writing samples to the EWP. The new requirements allow students to submit a paper from any course so long as the paper meets several criteria (relating to length and nature of the assignment).

In contrast, the current EWP requirements allow submission only from courses designated as writing centered or writing intensive. Because of this change, students no longer may have an incentive to complete writing centered or writing intensive courses, other than those required as part of general education. Effectively, then, students will be able to complete their four-year university education taking only one course beyond the 2000 level (i.e. the senior seminar) that emphasizes writing.

This ad hoc committee, therefore, proposes that CAA form a committee to review issues relating to writing in the curriculum and to make recommendations to CAA based on that review. The charge to the committee might include:
1. To explore whether CAA should consider revision of the general education curriculum focusing on the role of WC, WI, and WA courses in that curriculum;
2. To evaluate the merits of CAA’s adding a graduation requirement specific to WC, WI, and WA courses;
3. To consider the role of the Writing Across the Curriculum Committee and its relationship to CAA; and
4. To raise other relevant issues related to writing in the curricula at EIU.

We further recommend that the following be included on the committee:
   • Writing Across the Curriculum Committee chair
   • One undergraduate student representative
   • One representative from each of the academic colleges (Arts and Humanities, Sciences, Education & Professional Studies, and Business & Applied Sciences) and
   • One Senior Seminar representative.

Respectfully submitted:
