Agenda for the December 11, 2008 CAA Meeting

Items approved:  
08-110, PED 2137, Introduction to Athletic Training Clinical Education (New Course)  
08-111, PED 2440, Structural Kinesiology (Revised Course)  
08-112, PED 2850, Fitness for Life (Revised Course)  
08-113, PED 3140, Injury Recognition – Upper Extremity (Revised Course)  
08-114, PED 3141, Injury Recognition – Lower Extremity (Revised Course)  
08-115, PED 3142, Therapeutic Exercise (Revised Course)  
08-116, PED 3143, Therapeutic Modalities (Revised Course)  
08-117, PED 3144, Seminar in Sports Medicine (Revised Course)  
08-118, PED 3150, Athletic Training Clinical I: Injury Recognition – Upper Extremity (New Course)  
08-119, PED 3151, Athletic Training Clinical II: Injury Recognition – Lower Extremity (New Course)  
08-120, PED 3152, Athletic Training Clinical III: Therapeutic Exercise (New Course)  
08-121, PED 3153, Athletic Training Clinical IV: Therapeutic Modalities (New Course)  
08-122, PED 3154, Athletic Training Clinical V: Seminar in Sports Medicine (New Course)  
08-123, PED 3460, Soccer Coaching (Revised Course)  
08-124, PED 3800, Biomechanics of Human Motion (Revised Course)  
08-126, PED 4327, Ethics in Sports (New Course)  
08-127, PED 4328, Governance in Sport (New Course)  
08-128, PED 4500, Introduction to Research and Statistics in Kinesiology & Sports Studies (New Course)  
08-129, Physical Education: Exercise Science Concentration (Revised Concentration)  
08-130, Physical Education: Sports Management Concentration (Revised Concentration)  
08-131, Physical Education: Athletic Training Option (Revised Option)  
08-132, Proposal to change the degree name for the B.S. in Physical Education with Athletic Training Option to B.S. in Athletic Training  
08-133, Proposal to change the name of the B.S. degree titles from Physical Education to Kinesiology and Sports Studies and to change the PED prefix to KSS.

Items Pending:  
07-87, Voluntary Submission of Mid-Term Grades for Upper-Division Courses  
08-37, Proposal to revise the Cultural Diversity Requirement (Revised General Education Requirement)  
08-96, FCS 3810, Child Care Issues (New Course)  
08-97, FCS 3812, Nutrition Topics for Child Care Professionals (New Course)  
08-98, FCS 4240, Child Advocacy (New Course)  
08-99, FCS 4242, Computer Use for Child Care Administration (New Course)  
08-100, FCS 4244, Working with Families of Children Identified as Exceptional (New Course)  
08-101, FCS 4246, Curriculum for Child Care Homes and Centers (New Course)  
08-102, FCS 4250, Designing and Managing Learning Environments in Early Childhood Programs (New Course)  
08-103, FCS 4256, Working with School-Age Care Programs (New Course)  
08-104, FCS 4262, Discipline and Guidelines of Young Children (New Course)  
08-105, FCS 4264, Child Care Programs: Development and Grant Writing (New Course)  
08-106, FCS 4680, Family Systems and their Impact on Child Care (New Course)  
08-107, FCS 4685, Developing Cultural Awareness in Young Children (New Course)  
08-108, FCS 4686, Activity Planning to Facilitate Brain Development and Concept Formation in Infant, Toddler, and Preschool Children (New Course)  
08-109, General Studies: Option in Child Care Education (New Option)  
Senior Seminar Review Committee (Ongoing)  
Ad Hoc Committee on Cultural Diversity (Ongoing)

Council on Academic Affairs  
Minutes  
December 11, 2008

The December 11, 2008 meeting of the Council on Academic Affairs was held at 2:02 p.m. in Room 4440, Booth Library.

Members Present:  
Ms. Adeniyi, Dr. Bower, Dr. Campbell, Mr. Darby, Ms. Dilworth, Ms. Green, Dr. Hendrickson, Dr. Hyder, Ms. Kostelich, Dr. Reid, Dr. Schroeder, Dr. Sterling, and Dr. White.

Members Absent:  
None.

Staff Present:  
Dr. Lord, Dr. Herrington-Perry, and Ms. Fopay.

Guests Present:  
Dr. Emmett, Kinesiology & Sports Studies; Dr. Oliver, Kinesiology & Sports Studies; Dr. Owen, Kinesiology & Sports Studies; Ms. Price, Kinesiology & Sports Studies; Ms. Ruholl, Kinesiology & Sports Studies; and Dr. Walker, Kinesiology & Sports Studies.

I. Approval of the December 11, 2008 CAA Meeting Minutes.  
The minutes of December 11, 2008 were approved as written.
II. Communications:

III. Committee Reports:
None.

IV. Items Added to the Agenda:
None.

V. Items Acted Upon:
1. 08-111, PED 2440, Structural Kinesiology (Revised Course); 08-112, PED 2850, Fitness for Life (Revised Course); 08-113, PED 3140, Injury Recognition – Upper Extremity (Revised Course); 08-114, PED 3141, Injury Recognition – Lower Extremity (Revised Course); 08-115, PED 3142, Therapeutic Exercise (Revised Course); 08-116, PED 3143, Therapeutic Modalities (Revised Course); 08-117, PED 3144, Seminar in Sports Medicine (Revised Course); 08-123, PED 3460, Soccer Coaching (Revised Course); and 08-124, PED 3800, Biomechanics of Human Motion (Revised Course).

The following list identifies the individuals who presented the proposals (in the order the proposals were presented) and answered questions of the council.

The council members voted on the following agenda items as a packet: 08-111, 08-124, 08-112, 08-113, 08-114, 08-115, 08-116, 08-117, and 08-123. The motion was approved with the following vote:

Yes: Bower, Campbell, Darby, Dilworth, Green, Hendrickson, Hyder, Kostelich, Reid, Schroeder, Sterling, White.

No: None.

Abstain: Adeniyi.

The proposals were approved as follows:

a.) 08-111, PED 2440, Structural Kinesiology (Revised Course).

The proposal was approved, effective Fall 2009.

2440 PED. Structural Kinesiology. (3-0-3) F, S. The study of musculoskeletal anatomy as it relates to human movement. Course restricted to Physical Education majors and may not be repeated.
b.) 08-124, PED 3800, Biomechanics of Human Motion (Revised Course).
The proposal was approved, effective Fall 2009.

3800 PED. Biomechanics of Human Motion. (3-0-3) F, S. The study of forces and how they effect movement of the human body particularly during physical activity. Prerequisites: Admission to the Physical Education major; Grade of ‘C’ or better in BIO 2001G, PED 1500, and PED 2440. Course may not be repeated.

c.) 08-112, PED 2850, Fitness for Life (Revised Course).
The proposal was approved, effective Fall 2009, pending course fee approval.

2850 PED. Fitness for Life. (3-0-3) F, S. An individual approach for the assessment, analysis, and understanding of a lifetime of wellness through fitness. The course includes a thorough physical fitness/risk factor assessment in the Assessment, Testing, and Prescription Laboratory. Course may not be repeated.

d.) 08-113, PED 3140, Injury Recognition – Upper Extremity (Revised Course).
The proposal was approved, effective Fall 2010.

3140 PED. Injury Recognition – Upper Extremity. (2-1-2) F. Injury Rec/Upper Extremity. A study of the relationship of the upper extremity to various injuries, diagnosis and assessment procedures as well as the immediate care of those injuries. This course contains advanced content and it is only intended for students currently admitted into the Athletic Training Education Program. Co-requisite: PED 3150. Prerequisites: PED 2130, 2135, 2136 and 2137. The prerequisite courses may not be taken concurrently with PED 3140. Course may not be repeated.

e.) 08-114, PED 3141, Injury Recognition – Lower Extremity (Revised Course).
The proposal was approved, effective Spring 2011.

3141 PED. Injury Recognition – Lower Extremity. (2-1-2) S. Injury Rec/Lower Extremity. A study of the relationship of the lower extremity to various injuries, diagnosis and assessment procedures as well as the immediate care of those injuries. This course contains advanced content and it is only intended for students currently admitted into the Athletic Training Education Program. Co-requisite: PED 3151. Prerequisites: PED 2130, 2135, 2136 and 2137. The prerequisite courses may not be taken concurrently with PED 3141. Course may not be repeated.

f.) 08-115, PED 3142, Therapeutic Exercise (Revised Course).
The proposal was approved, effective Fall 2011.

3142 PED. Therapeutic Exercise. (2-1-2) F. A study of the body’s response to injury and wound repair, systematic approach to rehabilitation, current rehabilitation techniques and program development of therapeutic exercise as it relates to athletes and physically active individuals. This course contains advanced content and it is only intended for students currently admitted into the Athletic Training Education Program. Co-requisite: PED 3152. Prerequisites: PED 2130, 2135, 2136 and 2137. The prerequisite courses may not be taken concurrently with PED 3142. Course may not be repeated.
i.) 08-123, PED 3460, Soccer Coaching (Revised Course).
The proposal was approved, effective Fall 2009.

**3460 PED. Soccer Coaching. (2-1-2) F.** A course which exposes students to the four components of soccer: technical, tactical, psychological, and physical. The student will be able to develop and implement appropriate training sessions, better understand the responsibilities of coaching, observe and identify systems of play with different strategies, and know the rules of the game. Prerequisites: Previous background or permission of the instructor. Course may not be repeated.

2. 08-125, PED 4326, Socio-Cultural Dimensions of Sport (New Course).
The council requested that the Kinesiology and Sports Studies staff consult with the Sociology-Anthropology Department regarding possible course duplication between PED 4326 and a Sociology course. Dr. Owen will contact Dr. Gary Foster, Chair of the Sociology-Anthropology Department, about it.

**Note:** The PED 4326 course proposal (agenda item 08-125) was withdrawn from the CAA agenda per Dr. Owen’s request made on December 15, 2008 via a phone call to Ms. Fopay.

The following list identifies the individuals who presented the proposals (in the order the proposals were presented) and answered questions of the council, as well as revisions that the council members requested for each proposal.

| Dr. Walker, Dr. Owen, Ms. Price | 08-128, PED 4500, Introduction to Research and Statistics in Kinesiology & Sports Studies (New Course) | • Remove the words "Introduction to" from the course title  
• Add prerequisites to the course  
• Revise Part IV, #3 of the course proposal regarding the similarity of the course to existing courses in Kinesiology & Sports Studies and other disciplines |

*Note: The proposals, per the council’s request, were revised by the Kinesiology & Sports Studies Department and submitted to Ms. Fopay. Links to the revised documents are located at the beginning of the December 11, 2008 online minutes.

The council members voted on the following agenda items as a packet: 08-110, 08-118, 08-119, 08-120, 08-121, 08-122, 08-126, 08-127, and 08-128.

The motion passed unanimously.

The proposals were approved as follows:
a.) 08-110, PED 2137, Introduction to Athletic Training Clinical Education (New Course).
The proposal, with revisions, was approved, effective Spring 2010.

2137 PED. Introduction to Athletic Training Clinical Education. (Arr.-Arr.-1) S.
Intro to Ath Train Clinical Ed. Practical experience in supervised clinical settings
with an emphasis on the application of fundamental athletic training skills. This
course contains advanced content and it is only intended for students currently
admitted into the Athletic Training Education Program. Co-requisite: PED 2136.
Prerequisites: PED 2130 and PED 2135. The prerequisite courses may not be taken
concurrently with PED 2137. Course may not be repeated.

b.) 08-118, PED 3150, Athletic Training Clinical I: Injury Recognition – Upper Extremity
(New Course).
The proposal, with revisions, was approved, effective Fall 2010.

(0-3-2) F. Athletic Training Clinical I. Practical experience in supervised clinical
settings with an emphasis on the relationship of the upper extremity to various
injuries, diagnosis and assessment procedures as well as the immediate care of
those injuries. This course contains advanced content and it is only intended for
students currently admitted into the Athletic Training Education Program. Co-
requisite: PED 3140. Prerequisites: PED 2130, 2135, 2136 and 2137. The
prerequisite courses may not be taken concurrently with PED 3150. Course may not
be repeated.

c.) 08-119, PED 3151, Athletic Training Clinical II: Injury Recognition – Lower
Extremity (New Course).
The proposal, with revisions, was approved, effective Spring 2011.

3151 PED. Athletic Training Clinical II: Injury Recognition – Lower Extremity.
(0-3-2) S. Athletic Training Clinical II. Practical experience in supervised clinical
settings with an emphasis on the relationship of the lower extremity to various
injuries, diagnosis and assessment procedures as well as the immediate care of
those injuries. This course contains advanced content and it is only intended for
students currently admitted into the Athletic Training Education Program. Co-
requisite: PED 3141. Prerequisites: PED 2130, 2135, 2136 and 2137. The
prerequisite courses may not be taken concurrently with PED 3151. Course may not
be repeated.

d.) 08-120, PED 3152, Athletic Training Clinical III: Therapeutic Exercise (New Course).
The proposal, with revisions, was approved, effective Fall 2011.

3152 PED. Athletic Training Clinical III: Therapeutic Exercise. (0-3-2) F.
Athletic Training Clinical III. Practical experience in supervised clinical settings
with an emphasis on the application of current rehabilitation techniques and program
development of therapeutic exercise as it relates to athletes and physically active
individuals. This course contains advanced content and it is only intended for
students currently admitted into the Athletic Training Education Program. Co-
requisite: PED 3142. Prerequisites: PED 2130, 2135, 2136 and 2137. The
prerequisite courses may not be taken concurrently with PED 3152. Course may not
be repeated.
e.) 08-121, PED 3153, Athletic Training Clinical IV: Therapeutic Modalities (New Course). The proposal, with revisions, was approved, effective Spring 2012.

3153 PED. Athletic Training Clinical IV: Therapeutic Modalities. (0-3-2) S. Athletic Training Clinical IV. Practical experience in supervised clinical settings with an emphasis on the application of therapeutic modalities and program development of comprehensive rehabilitation programs that include therapeutic modalities as it relates to athletes and physically active individuals. This course contains advanced content and it is only intended for students currently admitted into the Athletic Training Education Program. Co-requisite: PED 3143. Prerequisites: PED 2130, 2135, 2136 and 2137. The prerequisite courses may not be taken concurrently with PED 3153. Course may not be repeated.

f.) 08-122, PED 3154, Athletic Training Clinical V: Seminar in Sports Medicine (New Course). The proposal, with revisions, was approved, effective Fall 2012.

3154 PED. Athletic Training Clinical V: Seminar in Sports Medicine. (0-3-2) F. Ath Train Clinical V: Seminar. Practical experience in supervised clinical settings with an emphasis on the application of administration and leadership skills. This clinical experience will also allow for a continuation of the student's opportunity to synthesize their knowledge and skills of previously taught clinical proficiencies and competencies. This course contains advanced content and it is only intended for students currently admitted into the Athletic Training Education Program. Co-requisite: PED 3144. Prerequisites: PED 2130, 2135, 2136 and 2137. The prerequisite courses may not be taken concurrently with PED 3154. Course may not be repeated.

g.) 08-126, PED 4327, Ethics in Sports (New Course).
The proposal, with revisions, was approved, effective Fall 2009.

4327 PED. Ethics in Sports. (3-0-3) F, S. This course offers an introduction to ethics within the sporting context. The values promoted within sport will be examined along with common ethical dilemmas faced by those involved in sport. The course will cover issues ranging from fair play to sportsmanship to Title IX and drug use for performance enhancement. Prerequisite: PED 4325. The prerequisite course may not be taken concurrently with PED 4327. Course restricted to Physical Education majors and may not be repeated.

h.) 08-127, PED 4328, Governance in Sport (New Course).
The proposal, with revisions, was approved, effective Fall 2009.

4328 PED. Governance in Sport. (3-0-3) F, S. Examination of governance in the sport industry at the international, professional, collegiate, and amateur levels, including analysis of organizational structure, authority and functions, policy development, membership requirements, sanctions and appeal processes, and the influence of governmental bodies and sports commissions on sport governing bodies. Prerequisite: PED 4325. The prerequisite course may not be taken concurrently with PED 4328. Course restricted to Physical Education majors and may not be repeated.
i.) 08-128, PED 4500, Introduction to Research and Statistics in Kinesiology & Sports Studies (New Course). The proposal, with revisions, was approved, effective Fall 2012.

4500 PED. Research and Statistics in Kinesiology and Sports Studies. (3-0-3) F, S. Research and Stats in KSS. This course provides majors within the Department of Kinesiology and Sports Studies an introduction to the practical aspects of research and statistics in but not limited to: athletic training, physical education, exercise science and sport management. This course contains advanced content and it is only intended for students currently majoring in the Department of Kinesiology and Sports Studies. Prerequisite: PED 3900 or permission of the Department Chair. Course may not be repeated.

4. 08-129, Physical Education: Exercise Science Concentration (Revised Concentration); 08-130, Physical Education: Sports Management Concentration (Revised Concentration); 08-131, Physical Education: Athletic Training Option (Revised Option); 08-132, Proposal to change the degree name for the B.S. in Physical Education with Athletic Training Option to B.S. in Athletic Training; and 08-133, Proposal to change the name of the B.S. degree titles from Physical Education to Kinesiology and Sports Studies and to change the PED prefix to KSS.

The following list identifies the individuals who presented the proposals (in the order the proposals were presented) and answered questions of the council, as well as revisions that the council members requested for each proposal.

*NOTE: Links to the revised proposals are located at the beginning of the December 11, 2008 online minutes.

The council members voted on the following agenda items as a packet: 08-129, 08-130, and 08-131. The motion passed unanimously.

The proposals were approved as follows:

a.) 08-129, Physical Education: Exercise Science Concentration (Revised Concentration).

The proposal (See Attachment A) was approved, effective Fall 2009.
b.) 08-130, Physical Education: Sports Management Concentration (Revised Concentration).

The proposal, with revisions, *(See Attachment B)* was approved, *effective Fall 2009, pending approval, substitution, or removal of PED 4326 listed under the requirements for the concentration.*

*NOTE: PED 4326 was stricken from the proposal (agenda item 08-130) per the request of Dr. Owen, Chair of the Kinesiology & Sports Studies Department, made on December 15, 2008 via a phone call to Ms. Fopay.*

c.) 08-131, Physical Education: Athletic Training Option (Revised Option).

The proposal, with revisions, *(See Attachment C)* was approved, *effective Fall 2009.*

Next, the council members voted on agenda item 08-132, Proposal to change the degree name for the B.S. in Physical Education with Athletic Training Option to B.S. in Athletic Training.

The motion passed unanimously.

The proposal *(See Attachment D)* was approved, *effective Fall 2009, pending IBHE approval.*

**Title change:**

*From:* B.S. in Physical Education with Athletic Training Option

*To:* B.S. in Athletic Training

Finally, the council members voted on agenda item 08-133, Proposal to change the name of the B.S. degree titles from Physical Education to Kinesiology and Sports Studies and to change the PED prefix to KSS.

The motion passed unanimously.

The proposal was approved, *effective Fall 2009, pending IBHE approval.*

B.S. degree titles will change *(See list below)* **AND** the course prefixes for all Kinesiology and Sports Studies' courses will change from “PED” to “KSS.”

- B.S. in Physical Education Kinesiology and Sports Studies: Exercise Science Concentration
- B.S. in Physical Education Kinesiology and Sports Studies: Sport Management Concentration
- B.S. in Physical Education Kinesiology and Sports Studies: Physical Education Teacher Certification Option K-12 Special Certificate

*NOTE: At it’s December 2, 2008 meeting, the Council on Graduate Studies approved the prefix change (PED to KSS) and the M.S. degree title change (M.S. in Physical Education Kinesiology and Sports Studies.)*

Dr. Bower thanked Ms. Kostelich for her service on the council and explained that due to a class conflict Ms. Kostelich will not serve on CAA next semester.

VI. Pending:

1. 07-87, Voluntary Submission of Mid-Term Grades for Upper-Division Courses
2. 08-37, Proposal to revise the Cultural Diversity Requirement (Revised General Education Requirement)
3. 08-96, FCS 3810, Child Care Issues (New Course)
4. 08-97, FCS 3812, Nutrition Topics for Child Care Professionals (New Course)
5. 08-98, FCS 4240, Child Advocacy (New Course)
The next meeting will be held Thursday, January 15, 2009.

The meeting adjourned at 3:15 p.m. —Minutes prepared by Ms. Janet Fopay, Recording Secretary

The current agenda and all CAA council minutes are available on the Web at http://www.eiu.edu/~eiucaa/.
In addition, an electronic course library is available at the http://www.eiu.edu/~eiucaa/elibrary/.

********** ANNOUNCEMENT OF NEXT MEETING **********
January 15, 2009
Conference Room 4440 – Booth Library @ 2:00 p.m.

Agenda:
1. 08-96, FCS 3810, Child Care Issues (New Course)
2. 08-97, FCS 3812, Nutrition Topics for Child Care Professionals (New Course)
3. 08-98, FCS 4240, Child Advocacy (New Course)
4. 08-99, FCS 4242, Computer Use for Child Care Administration (New Course)
5. 08-100, FCS 4244, Working with Families of Children Identified as Exceptional (New Course)
6. 08-101, FCS 4246, Curriculum for Child Care Homes and Centers (New Course)
7. 08-102, FCS 4250, Designing and Managing Learning Environments in Early Childhood Programs (New Course)
8. 08-103, FCS 4256, Working with School-Age Care Programs (New Course)
9. 08-104, FCS 4262, Discipline and Guidelines of Young Children (New Course)
10. 08-105, FCS 4264, Child Care Programs: Development and Grant Writing (New Course)
11. 08-106, FCS 4680, Family Systems and their Impact on Child Care (New Course)
12. 08-107, FCS 4685, Developing Cultural Awareness in Young Children (New Course)
13. 08-108, FCS 4686, Activity Planning to Facilitate Brain Development and Concept Formation in Infant, Toddler, and Preschool Children (New Course)
14. 08-109, General Studies: Option in Child Care Education (New Option)

Pending Items:
1. 07-87, Voluntary Submission of Mid-Term Grades for Upper-Division Courses
2. 08-37, Proposal to revise the Cultural Diversity Requirement (Revised General Education Requirement)

Approved Executive Actions:
None.

Pending Executive Actions:
None.

B.S. in Physical Education: Exercise Science Concentration

Total Semester Hours: 62-70 65-68

Criteria for admission to the Physical Education Non-teaching Major: Exercise Science Concentration:
1. Completion of BIO 2001G (or equivalent) with a grade of C or better;
2. Completion of PED 1500 and PED 2440 (or equivalent) with a grade of C or better.

BIO 2001G - Human Physiology. Credits: 4
KSS 1500 - Physical Education as a Profession. Credits: 2
KSS 2440 - Kinesiology. Credits: 4

General Education Requirements Plus:
Concentration I or II. Credits: 36-39
PED Aquatics course. Credits: 1
BIO 2001G - Human Physiology. Credits: 4
PED 1500 - Physical Education as a Profession. Credits: 2
PED 2440 - Kinesiology. Credits: 4
PED 2650 - Fitness for Life. Credits: 3
PED 3900 - Microcomputers in Physical Education. Credits: 3
PED 4275 - Field Experience. Credits: 3 or 6
(Register for six or nine semester hours)
PED 4325 - Organization and Administration in Sport Management and Exercise Science. Credits: 3
PED 4340 - Principles of Exercise Physiology. Credits: 3
PED 4761 - Sport Management and Administration. Credits: 3

Concentration I: Exercise Science

Total Semester Hours: 36
FCS 2100 - Nutrition in a Global Society. Credits: 3
FCS 4755 - Nutrition for Physical Performance. Credits: 3
HST 3120 - American Red Cross Instructor. Credits: 4
PED 1310 - Aquatic Exercise. Credits: 1
PED 1600 - Weight Training. Credits: 1
PED 1692 - Aerobic Exercise. Credits: 1
PED 2104 - Technique and Theory of Aerobic Exercise and Strength Training. Credits: 2
PED 2135 - Basic Care and Prevention of Athletic Injuries. Credits: 3
PED 3720 - Exercise Psychology. Credits: 2
PED 3800 - Biomechanics of Human Movement. Credits: 2
PED 4440 - Physical Fitness Appraisal and Performance Assessment. Credits: 3
PED 4450 - Exercise Prescription for General and Special Populations. Credits: 3
PED 4460 - Principles of Resistance Training. Credits: 3
PED 4900 - Special Topics in Kinesiology and Sports Studies. Credits: 1
[3 special topics approved by advisor]

One From:
One additional technique/theory course (excluding KSS 2144 and 2145) from:
PED 2101 - Technique and Theory of Badminton and Tennis. Credits: 2
PED 2102 - Technique and Theory of Golf and Bowling. Credits: 2
PED 2103 - Technique and Theory of Track and Field and Weight Training. Credits: 2
PED 2360 - Techniques and Theory of Softball and Volleyball. Credits: 2
PED 2380 - Technique and Theory of Flag Football and Basketball. Credits: 2
PED 2390 - Technique and Theory of Soccer/Speed-ball, and Modified Team Sports. Credits: 2
Core Requirements:
- BIO 2001G - Human Physiology. Credits: 4
- PED Aquatics course. Credits: 1
- PED 1310 - Aqua Exercise. Credits: 1
- PED 1500 - Physical Education as a Profession. Credits: 2
- PED 1600 - Weight Training. Credits: 1
- PED 1692 - Aerobic Exercise. Credits: 1
- PED 2104 - Technique and Theory of Aerobic Exercise and Strength Training. Credits: 2
- PED 2135 - Basic Care and Prevention of Athletic Injuries. Credits: 3
- PED 2440 - Kinesiology. Credits: 3
- PED 2850 - Fitness for Life. Credits: 3
- PED 3720 - Exercise Psychology. Credits: 2
- PED 3800 - Biomechanics of Human Movement. Credits: 3
- PED 3900 - Microcomputers in Physical Education. Credits: 3
- PED 4275 - Field Experience. Credits: 3 or 6
  (Register for six or nine semester hours)
- PED 4325 - Organization and Administration in Sport Management and Exercise Science. Credits: 3
- PED 4340 - Principles of Exercise Physiology. Credits: 3
- PED 4440 - Physical Fitness Appraisal and Performance Assessment. Credits: 3
- PED 4450 - Exercise Prescription for General and Special Populations. Credits: 3
- PED 4460 - Principles of Resistance Training. Credits: 3
- PED 4900 - Special Topics in Kinesiology and Sports Studies. Credits: 1
  [3 special topics approved by advisor]
- FCS 2100 - Nutrition in a Global Society. Credits: 3
- FCS 4755 - Nutrition for Physical Performance. Credits: 3
- HST 3120 - American Red Cross Instructor. Credits: 4

One additional technique/theory course (excluding PED 2144 and 2145) from:
- PED 2101 - Technique and Theory of Badminton and Tennis. Credits: 2
- PED 2102 - Technique and Theory of Golf and Bowling. Credits: 2
- PED 2103 - Technique and Theory of Track and Field and Weight Training. Credits: 2
- PED 2360 - Techniques and Theory of Softball and Volleyball. Credits: 2
- PED 2380 - Technique and Theory of Flag Football and Basketball. Credits: 2
- PED 2390 - Technique and Theory of Soccer/Speed-ball, and Modified Team Sports. Credits: 2

Footnotes:
A grade of C or better is required in BIO 2001G and all physical education courses counting toward the major.
Aquatics Proficiency: If you pass the aquatics proficiency exam, you must then take an additional PED activity course.
(Major GPA based on all physical education courses taken at EIU)
B.S. in Physical Education: **Sport Management Concentration**

**Total Semester Hours:** 62-70

**Criteria for admission to the Physical Education Non-teaching Major:** **Sport Management Concentration:**

1. Completion of BIO 2001G (or equivalent) with a grade of C or better;
2. Completion of PED 1500 and PED 2440 (or equivalent) with a grade of C or better.

- **BIO 2001G - Human Physiology. Credits: 4**
- **KSS 1500 - Physical Education as a Profession. Credits: 2**
- **KSS 2440 - Kinesiology. Credits: 4**

**General Education Requirements Plus:**

**Concentration I or II. Credits: 36-39**

- **PED Aquatics course. Credits: 1**
- **BIO 2001G - Human Physiology. Credits: 4**
- **PED 1500 - Physical Education as a Profession. Credits: 2**

- **PED 4275 - Field Experience. Credits: 3 or 6**
  (Register for six or nine semester hours)
- **PED 4325 - Organization and Administration in Sport Management and Exercise Science. Credits: 3**
2 hours Coaching courses
PED 4327 - Ethics in Sport. Credit 3
PED 4328 - Governance in Sport. Credit 3
PED 4760 - Sport Law. Credits: 3
PED 4761 - Sport Management and Administration. Credits: 3
PED 4762 - Publicity in Sports. Credits: 3

One technique/theory course (excluding PED 2145):
PED 2101 - Technique and Theory of Badminton and Tennis. Credits: 2
PED 2102 - Technique and Theory of Golf and Bowling. Credits: 2
PED 2103 - Technique and Theory of Track and Field and Weight Training. Credits: 2
PED 2104 - Technique and Theory of Aerobic Exercise and Strength Training. Credits: 2
PED 2360 - Techniques and Theory of Softball and Volleyball. Credits: 2
PED 2380 - Technique and Theory of Flag Football and Basketball. Credits: 2
PED 2390 - Technique and Theory of Soccer/Speed-ball, and Modified Team Sports. Credits: 2

Business Administration Minor (21 hours)

Footnotes:
A grade of C or better is required in all physical education courses counting toward the major.
Aquatics Proficiency: If you pass the aquatics proficiency exam, you must then take an additional PED activity course.
(Major GPA based on all physical education courses taken at EIU)
Attachment C

B.S. in Physical Education: Athletic Training Option

The program provides students interested in the prevention, care, and evaluation of athletic injuries the necessary course work and clinical experience to qualify to sit for the examination leading to certification by the National Athletic Trainers Association Board of Certification.

Guidelines

Guidelines restrict the number of students who may participate in the Athletic Training program. This number is in direct proportion to the number of “certified” clinical supervisors employed by EIU. Due to this imposed limitation, students are advised that their acceptance into this program is not an assumed right. Students must complete PED 2130 and 2135 and 2136 (beginning first second semester freshman year) in order to be considered for acceptance into the Athletic Training Program. All students must meet specific program selection criteria. For specific information go to http://www.eiu.edu/~athtrain/.

PED 2130 - Athletic Training Practicum. Credits: 1
PED 2135 - Basic Care and Prevention of Athletic Injuries. Credits: 3
PED 2136 - Athletic Training as a Profession. Credits: 3

General Education Requirements Plus:
Total Semester Hours: 79-76

Consisting of the following:

BIO 1001G - Biological Principles and Issues. Credits: 3
[or other approved BIO general education course]
BIO 2001G - Human Physiology. Credits: 4
[Gen Ed (4)]
BIO 2200 - Human Anatomy. Credits: 4
FCS 2100 - Nutrition in a Global Society. Credits: 3
FCS 4755 - Nutrition for Physical Performance. Credits: 3
HST 2000 - Principles of Human Health. Credits: 3
PED 1500 - Physical Education as a Profession. Credits: 2
PED 1600 - Weight Training. Credits: 1
PED 2130 - Athletic Training Practicum. Credits: 1
PED 2135 - Basic Care and Prevention of Athletic Injuries. Credits: 3
PED 2136 - Athletic Training as a Profession. Credits: 3
PED 2137 – Introduction to Athletic Training Clinical Education: Credits 1
PED 2440 - Kinesiology. Credits: 3
PED 2850 - Fitness for Life. Credits: 3
PED 3140 - Injury Recognition – Upper Extremity. Credits: 4 2
PED 3141 - Therapeutic Exercise. Credits: 4 2
PED 3142 - Injury Recognition - Lower Extremity. Credits: 4 2
PED 3143 - Therapeutic Modalities. Credits: 4 2
PED 3144 - Seminar in Sports Medicine. Credits: 3 2
PED 3150 - Athletic Training Clinical I: Injury Recognition – Upper Extremity: Credits 2
PED 3151 - Athletic Training Clinical II: Injury Recognition – Lower Extremity: Credits 2
PED 3152 - Athletic Training Clinical III: Therapeutic Exercise: Credits 2
PED 3153 - Athletic Training Clinical IV: Therapeutic Modalities: Credits 2
PED 3154 - Athletic Training Clinical V: Seminar in Sports Medicine: Credits 2
PED 3180 - General Medical Conditions in the Athlete. Credits: 2
PED 3800 - Biomechanics of Human Movement. Credits: 2 3
PED 3900 - Microcomputers in Physical Education. Credits: 3
PED 4275 - Field Experience. Credits: 3 or 6
(3 hrs.)
PED 4340 - Principles of Exercise Physiology. Credits: 3
PED 4440 - Physical Fitness Appraisal and Performance Assessment. Credits: 3
**Footnotes:**

Students must receive a "C" or better in all Physical Education courses and BIO 2001G.

(Athletic Training Professional GPA based on Physical Education, Health Studies, Biological Sciences, Family & Consumer Sciences, and Psychology courses in this option taken at EIU).

(Major GPA based on Physical Education, Health Studies, Biological Sciences, Family & Consumer Sciences, and Psychology courses in this option taken at EIU.)
Attachment D

Change from B.S. in Physical Education with Athletic Training Option
to B.S. in Athletic Training

Description of Action Requested:
At this time, the Department of Kinesiology and Sports Studies and the Athletic Training Education Program would like to request that the current Bachelor of Science in Physical Education with Athletic Training option be changed to a Bachelor of Science in Athletic Training.

Needs and Benefits of Action Requested:
The need for the action requested is necessary to remain compliant with the accreditation body for Athletic Training Education, CAATE (Commission on the Accreditation of Athletic Training Education) and to sustain an accredited Athletic Training Education Program at Eastern Illinois University after the 2014-2015 academic year. CAATE has mandated that all accredited programs be a stand alone major by 2014-2015 academic year as seen in the excerpt below.

CAATE, in agreement with the National Athletic Trainers Association (NATA), supports the NATA’s Degree Task Force recommendation that by 2014-2015 academic year, individuals entering the profession must have a degree in athletic training. This means that, by 2014-2015, individuals completing entry-level programs in athletic training must be awarded a degree in athletic training. (http://caate.net/newsletters/Summer2007.pdf)

Additionally, the Athletic Training Education Program has been notified that the program currently is not in compliance standard I1 in the CAATE accreditation standards which states:

I1. Description of the Program - The athletic training education program must be an undergraduate or graduate program that offers a major or graduate equivalent in athletic training. The undergraduate major or graduate major equivalent must be:
   I1.1 consistent with other majors offered within the institution,
   I1.2 identified as an academic athletic training major program in institutional academic publications, and
   I1.3 indicated on the official transcript of the student as is normally designated for other undergraduate majors or graduate major equivalents at the institution. (http://caate.net/documents/Standards.6.30.08.pdf)

The benefits of allowing the action requested to be approved will allow for the continuation of housing a CAATE accredited Athletic Training Education Program at Eastern Illinois University after the 2014-2015 academic year. Additionally, it will allow the program to be in full compliance with the CAATE accreditation standards.

University and Statewide Goals:
The action being requested is linked to several of the university and statewide goals. By changing the Athletic Training Education Program to a stand alone major we are upholding excellence within the program, department, college and university by maintaining compliance with the Athletic Training accreditation body, CAATE. This change will strengthen the personal experience for all members of the EIU community and those we serve by providing all constituents with an easier method of identifying an Athletic Training graduate. Additionally, the university will be able to provide East Central Illinois with an affordable and accessible opportunity for students to gain a Bachelor of Science degree in Athletic Training from an accredited program. This will allow our students the opportunity to apply their skills and knowledge within the community, region, state and throughout the nation as Certified Athletic Trainers who have a Bachelor of Science in Athletic Training.
