

## **General Education at EIU**

### **STUDY ABROAD**

Adopted by CAA, December 16, 2005

Study Abroad courses may be used to fulfill General Education area requirements. In order for a study abroad course to fulfill an area of General Education, it must either be indicated as such in the Study Abroad Course Database (hosted online by the Office of Study Abroad) or individually approved by the Department Chair of the department the course is housed in via the Course Approval Form (distributed by the Office of Study Abroad).
