II. Communications:

1. Academic Waiver Reports for October 2003 from the Lumpkin College of Business & Applied Sciences and the College of Education and Professional Studies.
Dr. Reid was curious why waiver 03-140 listed on the LCBAS Waiver Report had been denied. Dr. Methven will contact Dean Hoadley, LCBAS, to get additional information regarding the waiver.
2. Academic Waiver Reports for November 2003 from the Lumpkin College of Business and Applied Sciences, College of Education & Professional Studies, and College of Sciences.
3. November 12, 2003 email from Associate Dean Lynch, CAH and December 5, 2003 email from Dr. Borzi, Chair, Speech Communication, requesting executive action, effective Spring 2004, to limit the hours of internship for SPC 4275, the practicum for SPC 4375, and independent study for SPC 4000; revise the course description for SPC 3920; change the calculation of the major GPA and prohibitions against using SPC 1310G and 1390G as electives in the Speech Communication major; and modify the electives in the Minor in Speech Communication in reference to SPC 1310G and 1390G.
Dr. Bock mentioned that he would try to answer any questions that the Council members might have regarding the executive action requests since Dr. Borzi, Chair of the Speech Communication department, was unable to attend the meeting.

Dr. Methven brought to the Council's attention that program changes, according to the CAA policy, can only become effective during a fall term; therefore, these Speech Communication executive action items must become effective Fall 2004 rather than Spring 2004.

Next, Dr. Methven questioned the course descriptions for SPC 3920, 4000, 4275, and 4375. He distributed a handout showing the Speech Communication course descriptions taken from the online undergraduate catalog. He noted, in addition to the requested changes, that the course descriptions in the executive action requests differed from the catalog descriptions. Dr. Bock agreed to contact Dr. Borzi to determine which course descriptions should be used.

Following a discussion of these items, the council members agreed to approve the following executive action requests, effective Fall 2004.

1. *Changes to the calculation of the major GPA and prohibitions against using SPC 1310G and 1390G as electives in the Speech Communication major.*
 2. *Changes to the electives in the Speech Communication minor in reference to SPC 1310G and 1390G.*
4. November 24, 2003 memorandum from Dean Hoadley, LCBAS requesting executive action, effective Fall 2004, to revise the School of Business criteria, modify the School of Business policy on grading, and remove the writing intensive designation from MAR 3720.

Dr. Methven voiced his concerns regarding the variation between the college waiver reports and executive action requests that have been submitted to the council. He felt that there should be one standard format for all of the colleges to use. Also, he indicated that he felt rationales should be included on all executive action requests. The Council members agreed. Dr. Methven asked the Council members for their input on how to handle this situation. Dr. Herrington-Perry indicated that Ms. Fopay had agreed to create a draft of a standardized, online form to be submitted to the Council early next semester.
