   **Rationale, Justifications, and Assurances (Part I)**

1. ___X__ Course is required for the major(s) of MA in Music, Music Ed
2. **Rationale for proposal**: 

A seminar in music education helps teachers stay abreast of current topics in the field. The opportunity to interact in a small group setting with other teachers and guest speakers active in the field allows for meaningful development of knowledge, professional contacts, and peer feedback.

This proposal will be part of a large curricular change for the MA in Music, Music Education Concentration that will increase the online offerings of the program, enabling us to attract a larger student population. The proposed course revision creates a hybrid and online version of a course currently required for the MA in Music, Music Education Concentration.

3. **Justifications for (answer N/A if not applicable)**

   - **Similarity to other courses**: NA
   - **Prerequisites**: Admission to the program is the only prerequisite. Content is specific to music educators who have teaching experience and wish to obtain an advanced degree in music education.
   - **Co-requisites**: NA
   - **Enrollment restrictions**: NA
   - **Writing active, intensive, centered**: NA

4. **General education assurances (answer N/A if not applicable)**

   - **General education component**: NA
   - **Curriculum**: NA
   - **Instruction**: NA
   - **Assessment**: NA

5. **Online/Hybrid delivery justification & assurances (answer N/A if not applicable)**

   - **Online or hybrid delivery justification**: The fall 2015 revision of the Music Education Concentration creates an online degree program with a single week of residency. This hybrid program will make EIU competitive with similar degree programs that are being offered around the state and nation. The unique curriculum design allows working music educators to apply new ideas and teaching techniques directly to their classrooms as they advance through the program.
   - **Instruction**: Using a CMS (course management system) students will access lectures via presentation software or learning modules that contain recorded lectures using multimedia software. Students will also access through CMS assigned readings, links to multimedia, graded weekly discussion threads, other written assignments, rubrics, and an electronic drop box.
   - **Integrity**: To ensure the integrity of the course work, text from all written assignments will be submitted through a plagiarism identification system. Academic integrity is discussed in the syllabus, and students will be evaluated through a rigorous assessment. Discussions may use a face-to-face format or use web-conferencing software.
   - **Interaction**: 
Class interactions will use a combination of technologically delivered discussion threads, real time discussion, web-conferencing (virtual classroom with audio/video and white board support), email, social networks, and blogs.
