PART IV: PURPOSE AND NEED

1. Explain the department’s rationale for developing and proposing the course.

The proposed course will give graduate students the opportunity to explore special topics in music technology, music education, and other areas not already included in the current curriculum.
   a. N/A (not a general education course)
   b. N/A (not technology-delivered)

2. Justify the level of the course and any course prerequisites, co-requisites, or registration restrictions.

3. If the course is similar to an existing course or courses, justify its development and offering.
   a. If the contents substantially duplicate those of an existing course, the new proposal should be discussed with the appropriate chairpersons, deans, or curriculum committees and their responses noted in the proposal.
   b. Cite course(s) to be deleted if the new course is approved. If no deletions are planned, note the exceptional need to be met or the curricular gap to be filled.

4. Impact on Program(s):
   a. N/A (not an undergraduate course)
b. For graduate programs, specify whether this course will be a core requirement for all candidates in a degree or certificate program or an approved elective.

This course will be a requirement in some concentrations and an elective for all other graduate students.

PART V: IMPLEMENTATION

1. Faculty member(s) to whom the course may be assigned: Dr. Allen, Dr. Fagaly, Dr. Florea, Dr. Hesterman, Mr. Jensen, Mr. Johnston, Dr. Kirk, or Dr. Rossi
