   b) Students will be assessed and credit will be earned based on activities such as projects, reports, research papers, oral presentations, group problem solving, and examinations, etc.  
   c) Not applicable.  
   d) Not applicable.  
   e) Not applicable.

3. Outline of the Course  
   a) The type of internship will vary. Credit is earned in consultation with academic departments according to their standard internship/practicum requirements.  
   b) Not applicable.

4. Rationale  
   a) Purpose and Need: This proposal allows the University to award study abroad credit for international internships developed by EIU faculty or through partner host institutions and providers.  
   b) Justification of Level: Not applicable.  
   c) Similarity to Existing Courses: No course currently exists.  
   d) Impact on Program(s): This course will provide students with international opportunities for full immersion in the practice of their discipline.

5. Implementation  
   a) This course will be approved, supervised, and evaluated by a faculty sponsor in the student's department. The Instructor of Record is the faculty sponsor unless a
host transcript were received for the internship, in which case it would be the Director of Study Abroad.

b) No additional costs are built into the course; however, students will incur various expenses by virtue of the international nature of study abroad. Programs costs will be published on the Website and in promotional materials.

c) Textbook rental policies do not apply.
