UNDERGRADUATE ACADEMIC WAIVER RULES
OFFICE OF ACADEMIC AFFAIRS

UNDERGRADUATE ACADEMIC WAIVERS
Undergraduate students seeking waivers of academic rules or procedures may obtain Undergraduate Academic Waiver Request forms from their deans, department chairpersons, or advisors. It is the student’s responsibility to complete the form, obtain the necessary signatures, and present the form to the student’s certifying dean for processing.

The student’s certifying dean may approve the waiver request, stipulating approval conditions, if any, or disapprove the request. If the waiver is not approved, the dean advises the student of the waiver appeal process. In either case, the dean indicates a file number on the waiver form and forwards appropriate copies to the student, advisor, and the Registrar’s Office. The certifying dean’s decision on waivers approved according to the Academic Waiver Rules is final.

UNDERGRADUATE ACADEMIC WAIVER APPEAL COMMITTEE
The Undergraduate Academic Waiver Appeal Committee (UAWAC) is composed of the four college deans, with a Committee chair who coordinates the activities of the committee selected from among its members. College deans do not participate in deciding appeals from students in their own colleges; the decisions are made by a majority vote of the three remaining deans.

THE APPEAL PROCESS
If an undergraduate student waiver is denied by a student’s certifying dean, the student may request to appeal the decision by signing the waiver request form. Appeals are submitted by the certifying dean to the Registrar who serves as corresponding secretary for the UAWAC and handles all official correspondence with the student regarding the appeal. Letters supporting an appeal, if any, should be included with the appeal form at the time it is submitted to the Certifying Dean’s Office. When action has been taken by the UAWAC, the chair notifies the Registrar in writing of its decision. The Registrar, in turn, notifies the student in writing of the action taken. All appeals related to prerequisites must be acted upon prior to the first day of classes in the academic term of the proposed exception.

Negative decisions made by the UAWAC may be reconsidered by the committee if the chair believes there is good reason to do so. Reconsideration must be based on the presence of significant new information or other compelling evidence. Reconsideration by the UAWAC may be requested by the student’s certifying dean or by the Vice President for Academic Affairs. The decision of the UAWAC (following reconsideration, if appropriate) is final.

Certifying deans for undergraduate students will provide to the Office of Academic Affairs term reports for the waivers that have been approved and disapproved. The Office of Academic Affairs distributes the activity report to the Council on Academic Affairs. Each semester the Registrar reports the actions of the UAWAC to the Office of Academic Affairs, who in turn
forwards the report to the Council on Academic Affairs. Fall semester reports will be submitted no later than February 1 or the first business day thereafter. Spring semester and summer term reports will be submitted September 1 or the first business day thereafter.

**ACADEMIC WAIVER RULES**
All undergraduate student waivers require approval signatures of the student’s advisor and department chairperson (or designee), the chairperson of the department (or designee) and the college dean (or designee) responsible for the rule or requirement being waived, and the student’s certifying dean. The Academic Waiver Rules that follow govern the actions of undergraduate certifying deans and the Undergraduate Academic Waiver Appeals Committee.
