Welcome to the 22nd issue of the Central Illinois Teaching with Primary Sources Newsletter, a collaborative project of Teaching with Primary Sources Programs at Southern Illinois University Edwardsville and Eastern Illinois University.

The celebration of Lincoln’s 200th birthday this month will bring a close to our newsletter focus on Abraham Lincoln. This newsletter will take a look at some Lincoln resources from the Library of Congress that we would like to spotlight. Some may be familiar to you while others are brand new.
