Completion of a teacher licensure minor does not guarantee that the individual will be granted an endorsement to teach in that field. Individuals must meet all requirements (including state tests) as set forth by the Illinois State Board of Education to be granted an endorsement in a second teaching field. NOTE: Additional subject specific secondary endorsements can only be added if you are completing or have completed a program leading to high school or K-12 licensure. Subject-specific secondary endorsements cannot be added to the Early Childhood, Elementary or Middle Level Certificates.

Note: Per the Illinois State Board of Education, at least 12 of the credit hours completed toward a minor in teacher licensure must be upper-division course work (3000-level courses or higher). Students must receive a "C" or better in all courses counted toward the English minor and must maintain a minimum cumulative and major GPA of 2.75 in order to continue in the program.

NOTES:
