PROGRAM OVERVIEW

The EIU English Studies Summer Camp is a unique program that allows students to customize their program of study, selecting two sessions from a range of offerings in creative writing, literature, professional/academic writing, media studies, and more. Students grow academically and socially as they prepare for college and are mentored by expert faculty who share their passion for reading and writing. Students receive individual attention through small class sizes and gain skills in analyzing and crafting texts and expressing their ideas both verbally and through writing.

The camp offers two levels of discounted tuition (a residency rate which includes tuition, housing, recreation, and three meals per day, and a commuter rate which includes tuition, some recreational activities, and daily lunches). Scholarships for full or partial funding are available.

ACTIVITIES

Camp participants will enjoy a range of fun recreational activities starting with the welcome pizza party on Sunday night (an informal meet-and-greet for students and faculty) and ending with the celebration gala on Saturday morning (a public reception where students share their work with their families and the community).

When not in class, students will participate in indoor and outdoor games, movies, picnics, karaoke jam sessions, slam poetry readings at the local coffee shop, and more. EIU admissions and campus tours will be available by appointment on the last day. Living, dining, learning, and socializing together, students will have the opportunity to form lifelong friendships.
