EIU	4xxx	Senior Seminar	3				
XXX	xxxx	Elective	3				
XXX	xxxx	Elective	3				
			17				6-9

TOTAL: 120-124 credit hours

This is a generic semester-by-semester guide to completing your degree requirements. Please consult your academic advisor to determine whether this plan meets your particular academic needs and interests.

1. For a listing of General Education courses, see catalog.
2. Students must receive a "C" or better in all Kinesiology and Sports Studies courses and BIO 2210 and BIO 2220.
3. All Exercise Science students are not accepted into major and cannot take any upper division KSS courses until they have taken BIO 2210, KSS 1500 and KSS 2440 and received a grade of "C" or better in each course.
4. Exercise Science major students must show proof of Adult CPR/AED/First Aid certification prior to enrollment in KSS 4275 - Internship.
5. Exercise Science major students may receive a grade in 3000 and 4000-level Kinesiology and Sports Studies courses a maximum of two times. After a grade has been recorded in a 3000 or 4000-level KSS course at EIU, the Department of Kinesiology and Sports Studies will not accept subsequent transfer of an equivalent course from another institution unless the KSS department has given prior written approval to enroll in the specific course at the specific institution. If after a second grade has been recorded for a given course and the student has not received a grade of C or better, the student will not be allowed to continue as an Exercise Science major and shall consult with his or her advisor to select a different major.
