Ten Percent (10%) of sales

- Spring Fest wants to provide each participating vendor an opportunity to have a fun and profitable weekend. With only a limited number of booth spaces available, it is the festival's intent to have booths focus on a specific cuisine or specialty, so that each of the approved food vendors will have a select and unique menu. There may be occasional over-lap on support items. Please list in detail the menu items you plan to sell. Please DO NOT write "same as previous year" if you are a past participant. Feel free to attach information to this sheet, but remember festival organizers may request a limit to menu offerings.

- **Please indicate the type of service your concession business requires:**

Water hookup

20 AMP - 110 Volt

50 AMP - 125/250 Volt *(Please know Spring Fest can only accommodate eight (8) vendors who require 220 service.)*

If your unit requires 220 service, please understand Spring Fest has a limited number of 220 receptacles (female end). Failure to provide accurate information could result in a delay in connecting your food concession unit during set-up.

Example A _____
NEMA 14-50R
(Only eight available)

- Please attach a diagram of your food concession tent/trailer set-up. The diagram should indicate the size of unit and location in which serving will take place. This information is critical in assisting festival organizers with the placement of your unit at the festival site.

Return: completed application - send to EIU
 concession trailer diagram - send to EIU
 insurance verification - send to EIU
 entry fee – if selected
 CCHD Temporary Food Permit – **send to Coles County Health Department**
