

## 2023-2024 NO PARENT INFORMATION FORM

Under federal law your family is primarily responsible -to the extent they are able- for paying your college expenses. To determine how much your family can afford to pay toward your college expenses, we must collect your financial information and if you are a dependent student, we must also collect your parents' financial information.

You have completed your FAFSA with no parental information.

If your parents do not wish to provide their information on your FAFSA you may still submit your FAFSA with your information only. You will be eligible for Federal Direct Unsubsidized Loans ONLY - offered according to your grade class. (See below.)

FRESHMAN	\$5,500
SOPHOMORE	\$6,500
JR & SR	\$7,500

By signing below, you are acknowledging you understand and accept the effect of having no parent information on your FAFSA.

If you have no parent information on your FAFSA due to a special circumstance, we may be able to help. Please contact us by phone or email, or come into our office.
